

#10 - Your MedVallée Newsletter – November 2025

Are you a start-up, SME, large group, researcher, entrepreneur, institutional player... in the field of global health? Find out here and on [MEDVALLEE](#) website all the news, events and calls for projects that you don't want to miss!

MedVallée's objective is to stimulate innovation, support companies growth, strengthen the region's international attractiveness and meet the major challenges of tomorrow in the field of global health.

[HOT OFF THE PRESS: A look back at the Investor and Startup Meeting](#)

Alongside French Tech Méditerranée and Montpellier BIC, MedVallée co-organized this networking event at the Fabre Museum, bringing together entrepreneurs and investors from all over France. It was an opportunity to highlight the vitality of our innovation ecosystem and the inspiring successes of our region, in line with the One Health approach.
