### **Featured: BOOST INVEST MEDVALLÉE CELEBRATES ITS NEW 2025 PROMOTION LAUREATES**

More info [HERE](#)

The ceremony held on February 5 in Montpellier highlighted a new class of Boost Invest MedVallée, a flagship program dedicated to fundraising for global health startups, strengthening their visibility and credibility with investors. This second cohort for 2025, which joins the nine winners from 2024, illustrates the dynamism of the Montpellier ecosystem.

**The eight startups honored on this occasion are:**

aKen Medical  
CILOA  
Cyberna  
Load Stations  
Neurinnov  
PredictCan Biotechnologies  
Reeflect  
XFEET Orthotics

🚀 Interested in joining the next promotion? The **2026 MedVallée call for applications** is now open for startups ready to accelerate their fundraising and reach the next level. All information is available here: <https://www.medvallee.fr/appels-a-projet/accelerez-votre-levee-de-fonds-avec-boost-invest-medvallee-2026>
