Registration is now open!**

November 17, 2026

MORE INFORMATION 🖱️ [HERE](#)

🚀 Montpellier is getting ready to host another major event dedicated to innovation in global health. On November 17, 2026, the Corum in Montpellier will bring together people who are shaping the future of healthcare, food and the environment.

Researchers, entrepreneurs, healthcare professionals, investors, public institutions and business leaders will come together to share ideas and solutions for the future of health, the environment and food.

The 3rd edition of the MedVallée Summit will also showcase initiatives emerging across the region and highlight the innovations in global health that are helping drive Montpellier's dynamism and attractiveness.
